PROPOSED REVISION TO THE KOOLAULOA PUBLIC INFRASTRUCTURE MAP

Project Title: Hauula Resilience Hub

Request: Revision of the Koolauloa Public Infrastructure Map (KL PIM) to add a Government Building (GB) symbol for the Hauula Resilience Hub (Resolution 20-297).

Requested By: City Council Member Heidi Tsuneyoshi

Description of Project: The Hauula Resilience Hub will provide a community center/ resilience hub for the Koolauloa community. The facility will provide critical lifelines in times of emergency as well as community oriented spaces and facilities during non-emergency events.

Project Cost: Undetermined

Project Location: The proposed site is located in Tax Map Key 5-4-014:013, Hauula, Oahu. (See attached map)

Land Ownership: State of Hawaii

Basis of Request: The Hauula Emergency Leadership Preparedness Committee has drafted a plan to locate the Hauula Resilience Hub at the site of the proposed Halau o Koolauloa Community Center, allowing the resilience hub to serve a critical role during and immediately following an emergency, as well as providing benefits ahead of any disaster, including community services and coordination of efforts to increase resilience for the Koolauloa community.

Public Infrastructure Map Designation: The proposed revision will add a GB symbol to the KL PIM. Existing PIM symbols in the general area include a Fire Station (FS) symbol (KL PIM number 009), Park Modification (P/M) symbol (KL PIM number 004), and a Water Pump Station (W) symbol (KL PIM number 007.)

Zoning: AG-2 Agricultural District

State Land Use Designation: Urban District

Special Management Area: Outside of the Special Management Area

Existing Use: The selected site is vacant and predominantly covered by trees and overgrowth. The site was previously set aside for use as a public park per Governor's Executive Order No. 4323 in 2010. However, the proposed park was not developed by the City and was rescinded per Governor's Executive Order 4639.
